

# The heart of HTC's mission is to **love God** and **serve others**.

We see God's heart in our Church Family (including our HTC Teams & Vestry). The HTC Staff is commissioned to surround our Church Family in God's hope, service, and love. Senior Leadership/Directors guide different levels of HTC's overall vision and direction, and care for the well-being of HTC's Team. HTC's Vestry provides governance over the fulfillment of HTC's purpose, mission and values, including the spiritual, strategic, financial and operational leadership of the church, which is charged to the Senior Pastor.
